To Whom It May Concern

Mr Henry Anderson – Marine Catering Services

Henry has sailed with me on 2 occasions as a superintendent.

Henry was employed as a Catering & Hotel Service Hygiene Consultant contracted by management to:

1. Oversee the ships' accommodation and galley repairs whilst in drydock,
2. Train the ships Cooks to raise the standard of onboard catering and food preparation,
3. Train the Messmen to raise the standard of Hotel Services onboard and;
4. To conduct an accommodation audit to enable the ship to be fully compliant with MLC 2006.

Henry is a highly motivated individual who, whilst onboard, improved the quality of the food service and cuisine being produced in the galley, improved stock control and, whose efforts resulted in a marked raising of the hotel services delivered by the messmen.

Henry is a highly skilled professional with good communication skills and the ability to get the job done.

It has been a pleasure having him onboard and I look forward to sailing with him again.

Yours faithfully,

Gregory Hill
